CHAPTER PREVIEW

In this beautiful and beloved kapitel, Mizmor L'Sodah, Dovid HaMelech calls upon the entire world to serve Hashem with joy and to come before Him with songs of praise. We are reminded that Hashem is our Creator, and we are His cherished nation, the sheep of His pasture whom He watches over with endless love. We are inspired to enter His gates with thanksgiving and gratitude, recognizing that Hashem is forever good and His kindness and faithfulness endure for all generations.
