CHAPTER PREVIEW

In this heartfelt kapitel, Dovid HaMelech cries out to Hashem with urgency, begging Him to hasten His salvation and rescue him from those who seek his harm. He asks that his enemies be turned back in shame, while those who seek Hashem and love His salvation should rejoice and constantly declare His greatness. Feeling poor and needy, Dovid pleads with Hashem to act quickly, declaring that the Ribbono shel Olam is his only help and deliverer.
